THE W.R.D.A.A. (1987)

The Wild Rose Dance Arts Association (1987) was originally formed in September of 1982 and held its first annual competition in June of 1983. The Association was formed by a group of dance teachers who felt Calgary should have a forum for all students to perform and gain experience. There has been a steady growth in the Association and in the number of participants in the competition and winter scholarship auditions. We are proud of both of our events and the fact that we are 100% run by our members.

Did You Know?

The Wild Rose Dance Arts Association is a NON-PROFIT organization.

The WRDAA is comprised of dedicated dance teachers and studio owners who generously volunteer their time. Our association hosts various dance events throughout the year to support the education of young dance students in Calgary and the surrounding area. Our primary goal is to provide valuable educational opportunities to enhance our students' growth and development.

Through fostering connections within the dance community, we have proudly witnessed thousands of dancers participating in our events and benefiting from the enriching experiences provided by the WRDAA. As a non-profit society, we have awarded thousands of dollars in cash scholarships to dancers, assisting them in their training endeavors.

To sustain our efforts, we rely on the generosity of donations, as well as the dedication of our volunteers. If you wish to contribute and make a difference, please contact us to explore donation options and the specific programs they will support. ADJUDICATORS

The W.R.D.A.A. (1987) is pleased to have three professional teachers/choreographers/dancers to adjudicate our 2026 competition. On behalf of all the members, competitors, parents and volunteers we extend a warm welcome to you all!

LAURIE CAHOON-ALSTON

Laurie holds her Advanced II certificate with the Royal Academy of Dance and performed professionally with Ballet North. Performances with Ballet North included a tour of Mainland China as a Principal dancer. Laurie also worked at length as a lead singer and dancer in Japan at Tokyo Disneyland, playing such fun-loving characters as Belle, Cinderella, and Sleeping Beauty. She has also enjoyed working in the Cruise-ship industry.

Industrial credits include Calvin Klein, Lancome, Tommy Hilfiger, the grand opening of Casino Niagara, and Club Firestone. Live performances and TV credits include Berenstain Bears Christmas Show with Paramount Pictures, Legends Alive, Chiropractic Association of Alberta, and Cool FM radio. Laurie has appeared as a guest singer on Day By Day and was co-choreographer of Dean Gunnarson's Halloween Special. She has enjoyed a range of artistic endeavors from voice over work, to singer, dancer, actor, and choreographer. Recently she had the pleasure of being choreographer and dancer in a commercial and advertisement for the Physiotherapy Association of Alberta, called "Born to Move" and "Laurie's Story" by Joe Media. A great honor was being invited to audition for Cirque du Soleil and be added to their bank of potential performers.

Laurie is currently teaching at the Edmonton School of Ballet in the daytime professional program and juggling being a mom of 3. Many of Laurie's past students are enjoying careers in dance and she couldn't be happier to see them share their love of the arts. She truly enjoys meeting and teaching young artists who continue to inspire her with their determination. Best of luck to all the inspiring performers at this event!

SARAH CHEREWKO

Sarah's passion for dance is clear and quite contagious! She brings an unmatched enthusiasm to her work and leads by example with authenticity and vulnerability. Originally from Calgary, AB, Sarah trained extensively in RAD and Cecchetti ballet, Al Gilbert tap, ADAPT tap and jazz, lyrical, modern, acro, contemporary, musical theater and hip hop while dancing competitively until the age of seventeen. Throughout her youth as part of a non-profit touring performance company, she had had the opportunity to perform in England, Scotland, Australia, New Zealand, Spain and Morocco and at 18, signed her first of many contracts as a dancer with Carnival Cruise Lines. After moving to Montreal in 2011, her passion for teaching grew stronger and she transitioned out of performing and began working exclusively as a teacher, choreographer and competitive adjudicator.

Sarah's goal as an adjudicator is to help dancers foster faith in their creativity and confidence in their uniqueness. She truly believes that every adjudication is an opportunity to ignite growth in the next generation of talented and powerful dancers/humans. As a certified Acrobatic Arts teacher, Sarah prides herself on providing a safe, fun and positive classroom environment where students can feel comfortable to explore movement, technique and ultimately experience vulnerability and personal growth. Sarah, now studying psychology at Concordia University is an accomplished teacher with twenty plus years of experience, an award winning and high score choreographer and a sought after adjudicator in the Canadian competition circuit. Sarah encourages all of our competitors to HAVE FUN and to create a memorable experience during the event- both on stage and off! 'Good luck out there, boo!'

"They say dance like nobody's watching. I think that implies that we are afraid or ashamed to dance in front of people. I say dance like everybody is watching, dance like your children are watching, your ancestors, your family. Dance for those who are hurting, those who can't dance, those who lost loved ones, and for those that suffer injustices throughout the world. Let every step be a prayer for humanity!" -Supaman.

JULIE ENGLAND

With over three decades of excellence in the performing arts, Julie England has established herself as a leading force in dance education, choreography, and adjudication across Canada, the UK, and the United States. Born and trained in England, Julie's versatility spans Ballet, Contemporary, Acro, Tap, Jazz, Lyrical, Modern, Cunningham, Horton, Graham, Limon, National, Musical Theatre, Ballroom, and Latin. Her professional credits include stage productions such as Annie, The Pyjama Game, Oliver, and The Nutcracker. She holds a BA (Hons) in Dance from the prestigious London College of Dance and Drama, an Associate Imperial Society Teaching of Dance Certification (A.I.S.T.D.), a Progressive Contemporary Technique (PCT) certification, a top-tier Acrobatic Arts Teacher Certification (Module 3), and an Applied BA in Interior Design.

Julie's teaching and choreography have inspired and shaped generations of dancers, many of whom now perform professionally with globally renowned companies including Cirque du Soleil, Disney, Universal Studios, Lightstrom Entertainment, London's West End, and Broadway. Her innovative vision has also earned her multiple awards, including the coveted Cathy Wade Ensemble Award at the Dance Under the Stars Choreography Festival (Palm Desert, California), the George Lon Memorial Choreography Award at the American Dance Awards, and the Julian Paul Masi Memorial Award for Outstanding Artistic Performance.

A sought-after adjudicator, Julie is a respected member of the Adjudicator Alliance and the International Dance Council (CID UNESCO). With her artistry, mentorship, and international influence, she continues to set the standard for excellence in dance education and choreography.

Heather Simpson Memorial Award In Dance

Heather Simpson was a ballet teacher that had a love for dance, teaching and life. She believed in herself, which inspired her students to believe in their dreams and to be strong. Heather had endless energy that was contagious and allowed her to maintain a sense of humour while teaching, thus making the learning process fun. Heather managed to run a balanced dance class by being softhearted and tolerant while keeping discipline. Heather had such a love for all children that she was able to connect with each student and make them feel like her favourite. She took time with each child and related to them on their level. As a teacher she always went that extra mile for her dancers. Heather led a full life outside of dance as well, which allowed her to teach about life too. She taught children that there is more to life than just dance, but dance was a great step towards living a full life.

The recipient of this award must have a love for teaching similar to that of Heather's. The award must be used to further educate oneself as a dance teacher.

Tammy-Lynn Powers Memorial Tap Scholarship

Tammy-Lynn danced from the age of 3 to 16. In 1990 she tragically lost her life in a bus accident on route with her dance troupe "Artistique Performing Arts" to perform in Penticton, BC.

Tammy-Lynn lived to dance. She performed in tap, jazz, ballet and lyrical but she excelled in tap. Her love of dance took her to many venues: Young Canadians; the USA; 1988 Olympics; Stampede Youth Talent where her tap duet in 1990 placed 2nd and numerous dance competitions.

In 1991 the "Jaimie Hill & Tammy-Lynn Memorial Foundation" was formed and over the years with many volunteers over a million dollars was raised through fundraising. We are proud to say that as of July 1, 2016 we now have a permanent 300 seat stage named in memory of Jaimie & Tammy-Lynn at "The National Music Centre" (Studio Bell).

This tap scholarship is given out in memory of Tammy-Lynn to one who exemplifies the same dedication and love of dance.

Tammy-Lynn is forever missed. Love Mom & Dad; Daryl & Family; Corey & Family

Carol Nielsen Scholarship

Carol Nielsen was a founding member of the Wild Rose Dance Association in 1982 and served as President for one term. The WRDAA is an organization that Carol truly held close to her heart. She was a wonderful influence on the dance community of Calgary for many years as an extraordinary teacher, leader and friend. Carol had a special place in her heart for our annual competition, even taking on the daunting task of running the event. It was her dedication to the W.R.D.A.A and every participant, along with her exceptional attention to detail that made her an irreplaceable asset to our association. This season honour of Carol Nielsen a scholarship will be awarded to 1 eligible high score soloist aged 16 years or older in any discipline.
